EOW-c
Extended Operator Workplace

The compact Extended Operator Workstation that focuses on spatial efficiency and operator wellbeing.

The operator’s actions have a direct impact on uptime, production output, quality, and safety. EOW-c is designed to enhance operator efficiency by minimizing response time and supporting 24/7 operations.

The Extended Operator Workplace (EOW) offers great efficiency and ergonomics solutions for operators. The EOW-c is the smallest version of the EOW series, and creates a very good operator environment at a very small footprint.

Everything is designed to support effective interaction and collaboration:
- Plant visualization and information all in one view
- Process overviews on close-by large interactive panels
- One fast-acting functional keyboard for controlling the complete operator environment.
- Control room space reduction by around 30%
- Small Footprint but generous work area
- Increased applicant appeal and job satisfaction

Efficiency and well-being in balance

The sets of monitors are mounted in a way that enables both a focused and a general view of operations.
- And even tho it has less settings and features then it’s bigger brother, it still delivers an very good working environment.
- An integrated light and sound system makes the workstations more flexible and easy to move then its traditional console counterparts
- And with a smaller footprint it’s the perfect option for projects where space is a concern and flexibility is important
EOW-c is available in one size

- Two 48" industrial LCD full HD 1920x1080 wide screens with ultra narrow bezels and LED backlight
- Four 24" full HD monitors with the same resolution as CLOV, with simultaneously adjustable monitor angle and depth
- Desktop and monitor board motorized, 100-240V 50-60Hz
- Adjustable “temperature” LED down-light
- Personal sound shower
- Multi client keyboard
- Separate power feed for desk motors, to ease connection via UPS feed
- Frame and columns in silver RAL 9006
- Level adjustable feet in grey RAL 7015
- High pressure laminate top board:

Other colors or specifications are available on request. All measurements are ± 10 mm if not otherwise stated.

EOW-c
