### Dear Valued Customer,

The purpose of this communication is to inform you of an upcoming change to the following products. This change is part of our effort and commitment to continuous improvement of our products and our processes.

### Description of Change

Special nuts and corresponding screws have been supplied with some mounting accessories to facilitate the mounting of the accessories on the Quick-Guard fencing system.

All nuts, screws and other components used for mounting on the Quick-Guard fencing system will no longer be supplied with the affected product starting September 2022.

*Special nut*

### Customer Impact of Change and Recommended Action

For the customers using the Quick-Guard fencing system, please contact Troax for support.

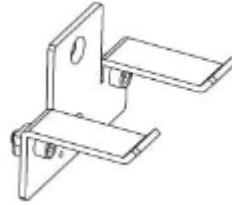

**Reason for Change**

ABB divested the Quick-Guard fencing product line to Troax AB of Sweden on 1<sup>st</sup> of July 2021. The special nuts and screws were part of the Quick-Guard fencing systems and are not part of the ABB offering anymore.

**Affected products**

2TLA020007R1200

JSM C7

**Customer acknowledgement**

Customers are requested to acknowledge this notification within 10 days of its issue date. Lack of response with 30 days of PCN release will constitute an acceptance of the change.

Please contact ABB if you have any issues with this PCN or require additional information.
