ELECTRIFICATION SERVICE

PRODUCT UPDATE

ELECTROMECHANICAL RELAYS

Following our last update on October 1, 2025, the below relay styles are now available and no longer subject to hold:

Product Family	Product Name & Version
HU/HU1/HU4	ALL STYLES
KD/KD10/KD11 (All KD)	ALL STYLES
IRD/IRP/IRQ/IRV	ALL STYLES
KLF/KLF1	ALL STYLES

As part of ABB's ongoing efforts to streamline operations and enhance overall efficiency, we are currently conducting a strategic review of our product lineup, supply chain, and internal workflows. In line with this, a select number of products have been placed on temporary hold.

This pause will allow us to focus on optimizing resources, improving service levels, and ensuring we maintain the high standards our partners and customers expect. We are actively working on internal realignments and process improvements to support future growth and long-term reliability.

Please see below a list of relays currently on temporary hold.

Product Family	Product Name & Version
CA/CA-16/CA-26	ALL STYLES
KA-4	ALL STYLES
KC2/KC4	ALL STYLES
PMD	ALL STYLES
PMG	ALL STYLES
SA1	ALL STYLES
SBF/SBF1	ALL STYLES
SLB/SLB1	ALL STYLES

During the temporary hold period, ABB will not be providing quotations for these products nor accepting any new orders. We appreciate your understanding and will keep you informed of any relevant updates in due course.

Respectfully,

John Weihing
