ReliaGear® neXT Circuit Breaker Test Fixture

The ReliaGear neXT circuit breaker test fixture makes testing ReliaGear neXT plug-in circuit breakers easier than ever before.

With a specifically designed bus stack, quickly install and easily test ReliaGear neXT circuit breakers to confirm they are operational and within applicable standards and tolerances.

For ReliaGear® Switchboard and Power Panel applications

Safe and proper testing of circuit breakers helps ensure proper operation for years to come and reduces unintentional damage that may occur when improperly connecting to the circuit breaker.

Circuit Breaker Frame	Rating (A)	Ordering Code
XT1	125	RGXTBTF
XT2	125	
XT4	250	
XT5	600	
XT6	800	
XT7	1200	

A single test fixture covers the complete ReliaGear neXT circuit breakers offering from XT1 to XT7.
