ABB EcoSolutions™ – M1M 15

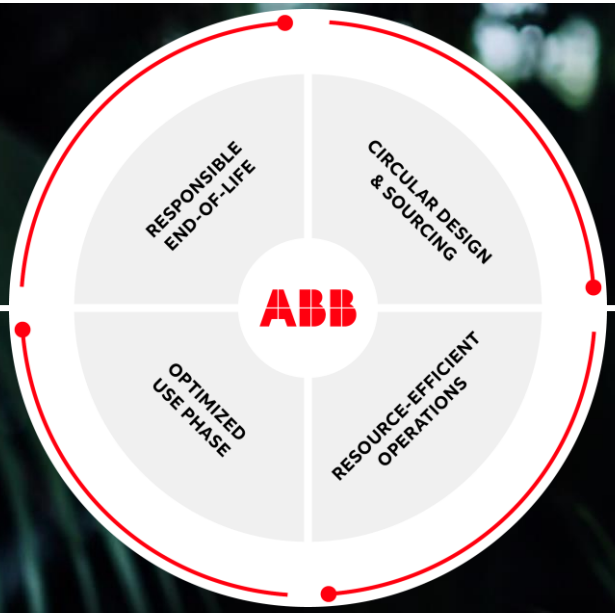
A dedicate range which can cover all the basic electrical system measurement needs.

M1M 15 is a multi-function meter with LED display.

ABB Eco Solutions™

End-of-life instructions

Clear instructions for product disassembly and recycling individual parts for re-use (LINK to the document)



Designed for Recyclability

Up to 34.71% recyclability rate, calculated according to EN 45555.

Offer compact depth (65 mm) to save the installation space. First configuration menu can save up to 30% commissioning time.

Produced in a zero waste to landfill site

All non-hazardous waste of production is recycled, and we continuously work to minimize waste in our operations.

Sustainable packaging materials

Packaging is made of 100% recycled paper.

Third-party verified Environmental Product Declaration

EPD compliant with ISO 14025 Type III (externally verified), ensuring data accuracy and full transparency on the product's environmental impacts throughout its life cycle (LINK to the EPD).

Low-carbon manufacturing

This product is manufactured in an ABB facility that is powered by renewable energy.
