Declaration

We ABB Automation Products AB, Substation Automation Division, S-721 50 Västerås, Sweden, declare under our sole responsibility that the family:

- Relay accessories and components
- Types: RXEM 1 acc. to Technical Overview Brochure 1MRKS08 024-BEN, Jan. 2004

is/are to which this declaration relates and is/are in conformity with the following standard(s) or other normative document(s):

- EN 60 255-6: 1994
- EN 50 178: 1997

following the provisions of

Directives

- Low Voltage Directive 73/23/EEC
- EMC Directive 89/336/EEC is not applicable to single components of this family

Our internal quality control system ensures compliance between the manufactured products and the technical documentation.

Application of the objects

The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.
