MEASUREMENT & ANALYTICS

Standard field service rate sheet (2021)
Upstream Oil & Gas

Primary work hours
The following labor rates are used for our normal maintenance and startup services. The minimum charge is four (4) labor hours plus any applicable travel expenses. Rates are charged to the nearest half hour. All times listed are local time zone where the work is being performed.

Domestic travel notes
• Travel time and expenses are charged from the nearest service office unless expedited service is requested.
• Travel expenses are charged separately at 58 cents/mile or actual public transportation costs plus 10%.
• Living expenses will be charged separately at actual costs incurred plus 10%.
• Completed travel time, to and from the customer site, will be charged separately at rates listed under this rate sheet.
• Parking fees are charged at cost.
