REACH Declaration

Legislative background

REACH stands for Registration, Evaluation, Authorisation and Restriction of Chemicals. EU REACH regulation (EC) no. 1907/2006 entered into force on 1 June 2007. REACH is a regulation of the European Union, adopted to improve the protection of human health and the environment from the risks that can be posed by chemicals, while enhancing the competitiveness of the EU chemicals industry.

Meeting the REACH requirements

We herewith declare, that ABB Oy, Wiring Accessories products meet the requirement of EU REACH regulation (EC) no. 1907/2006. As "downstream users" in terms of regulation we give great attention to the substances and preparations used in our products and ensure that they are reported according to the REACH regulation, if applicable. We require our suppliers to inform us regarding possible substances, registered on the specific valid candidate list of potentially hazardous substances (SVHC – Substances of Very High Concern)

All statements are made after our best knowledge and based on information from our suppliers. These details places particularly no assurance (e.g.in the guarantee legal meaning).

We trust we have been able to provide you with the information you require on this important environmental issue.
