2. APPLICATION

2.1 The ABB GTC govern the Contract.

2.4 Any amendments to the Contract must be agreed in writing.

3. SUPPLIER'S RESPONSIBILITIES

3.1 Supplier shall deliver the Goods and provide the Services:

3.1.1 in accordance with the applicable laws and regulations;

3.1.2 in accordance with the Contract (including by providing any necessary documentation) and all Customer instructions;

3.1.3 free from defects and from any rights of third parties; and

3.3 When Customer (or a Customer Affiliate at a relevant Delivery Location) identifies quality related issues on the part of Supplier, Customer (or Customer Affiliate) will notify Supplier thereof. Notwithstanding other remedies available to Customer under the Contract, Customer may instruct Supplier to undertake at Supplier's risk and expense an analysis into the root cause(s) of the quality related issues; such analysis being undertaken and reported to Customer within ten (10) calendar days of the notification of the quality related issue(s). Customer reserves the right to undertake an audit (carried out by Customer's nominated personnel, which may include third party experts or Customer Affiliate staff) of Supplier based on the results of the root cause analysis or where Supplier fails to comply with this Clause. Supplier shall also proactively advise Customer if it becomes aware of any quality related issues that may affect the Goods and/or Services, and the provisions of this Clause 3.3 shall otherwise apply as if the issue had been notified by Customer;

3.4 Customer may issue Variation Orders to Supplier, and Supplier shall carry out such Variation Orders. If any Variation Order causes an increase or decrease in the cost of, or the time required for the performance of, any Services or Goods, an equitable adjustment shall be made in the purchase price and/or Delivery schedule in writing. Any Supplier claim for adjustment under this Clause will be deemed waived unless asserted within thirty (30) calendar days from Supplier's receipt of the Variation Order. Variation Orders requested by Supplier only become effective after written confirmation by Customer.

3.5 Supplier must not suspend the Delivery of any Goods or the provision of any Services.

3.6 Supplier assumes full and exclusive responsibility for any occupational accident that occurs, or disease that affects, its employees and its subcontractors in relation to the provision of the Goods and/or Services.

3.7 Supplier is solely and exclusively responsible for any claims and/or lawsuits filed by its employees and/or subcontractors, and shall, without any limitations, defend, indemnify and hold Customer (and any relevant Customer Affiliate) harmless from and against any claim, proceeding, action, fine, loss, cost, damages and expenses arising out of or relating to any such claims and/or lawsuits, and any

noncompliance with legislation, regulations, codes of practice, guidance and other requirements of any relevant government or governmental agency applicable to Supplier, its employees or subcontractors. 4. PAYMENT, INVOICING

4.1 In consideration of the Goods delivered and/or the Services provided by Supplier in accordance with the Contract, Customer shall pay to Supplier the purchase price stated in the Contract provided the invoice fulfils the requirements defined by Customer. Payment shall be made in the country in which Supplier is registered, to a bank account in the name of Supplier. Supplier shall state the Order number on all invoices (but not limited to commercial, pro forma or customs invoices).

4.3 Invoices must be sent to the billing address specified in the Contract (or as otherwise agreed with Customer).

4.4 Customer shall pay the invoice in accordance with the payment terms agreed in the Contract.

4.5 Customer will reimburse expenses only at cost and to the extent agreed in writing.

4.6 Services charged based on hourly rates require written confirmation of Supplier's time sheets by Customer. Supplier shall submit such time sheets to Customer for confirmation as may be instructed by Customer but latest together with any related invoice. Confirmation of time sheets cannot be construed as acknowledgement of any claims. Customer is not obliged to pay invoices based on time sheets which are not confirmed by Customer in writing.

4.7 Customer reserves the right to set off or withhold payment for Goods and/or Services not provided in accordance with the Contract.

4.8 If an invoice received by Customer is not paid by the due date, Supplier may give notice in writing that the amount is overdue. Thirty (30) days after receipt of notice, unless the payment is disputed in good faith by Customer, Supplier may charge interest at the rate of 3% above the 3-month LIBOR rate (for unsecured USD loans) on any unpaid and undisputed amount, from the date payment fell due (or such other date as may be agreed in writing between the Parties), until receipt of the amount owed. Supplier acknowledges and agrees that this Clause 4.8 provides Supplier with a substantial remedy in respect of any late payment of sums due under any Contract.

4.9 Supplier acknowledges that the Customer will pay the duly issued and received invoice on the 4th day of the consecutive month following the original due date or if that day is a non-working day on the first banking day after that. Parties agree that the period between the due date and the date of financial settlement on the 4th day of the consecutive month or the first upcoming banking day shall not be considered as late payment and no late payment interest or other penalties shall be imposed on such payment.

5.5 Upon Delivery, Supplier (or its appointed carrier) shall provide Customer (or, if requested, any nominated Customer Affiliate at the Delivery Location) a delivery note and any other required export and import documents not mentioned in Clause 5.3. If Customer has approved partial delivery, such delivery note shall also include the outstanding balance.

5.6 Ownership of the Goods passes to Customer at Delivery. To the extent that the Goods contain Embedded Software, ownership of such Embedded Software will not pass to Customer, but Supplier shall grant, or – as applicable – shall procure that the third party owner grants, Customer and all users a worldwide, irrevocable, perpetual, transferable, non-exclusive, royalty-free right to use the Embedded Software as integral part of such Goods and/or for servicing either of them. For the avoidance of doubt, Supplier shall have no rights of retention of title, and Supplier will convey good title to the Goods, free of any liens or encumbrances (but transfer of title and ownership in the Goods to Customer shall not release Customer from its obligation to pay for those Goods, in accordance with the terms of the Contract).

6. ACCEPTANCE

6.1 Delivery of Goods or provision of Services shall not be deemed to be acceptance of such Goods or Services by Customer. Customer (or its nominated Customer Affiliate at the Delivery Location) shall have reasonable time to inspect or test the Goods and/or Services and to re-

port any defects to Supplier. If a defect in the Goods and/or Services was not reasonably detectable during the inspection, Customer (or its nominated Customer Affiliate at the Delivery Location) shall have reasonable time to provide notice of such defect after it has become apparent and/or to reject the Goods and/or Services.

6.2 The Parties may agree on a certain acceptance procedure, in which case acceptance will be subject to Customer's written acceptance statement (or that of Customer's nominated Affiliate). Supplier shall inform Customer (and any relevant Customer Affiliate) in writing within a reasonable time in advance when the Goods and/or Services are ready for acceptance.

6.3 Customer may enforce any remedy defined in the Contract for any rejected Goods or Services.

6.4 In case of defective performance the rate of liquidated damage is 15% of the total fee according to the Contract.

7. DELAY

7.1 Supplier will deliver Goods in accordance with any date or time, and at least in accordance with any lead times, specified in the Contract. If the Delivery of Goods or the provision of Services does not comply with the agreed date(s), Customer may:

7.1.5 claim liquidated damages as agreed in the Contract;

and it is agreed that Customer may select one or more such remedies and recovering costs or damages under any of Clauses 7.1.3 to 7.1.5 shall not exclude Customer from recovering other costs or damages under the other parts of this Clause 7.

7.2 In case of delay the rate of liquidated damage is 0,5% of the total fee per day according to this contract, but maximum 15%.

7.3 In case of predictable performance delay the Supplier shall immediately inform the Customer indicating the cause and content of the delay. If the Supplier delays with the performance or has not performed his obligations of care, or the quality of performance predictably does not comply with the quality set up in the Contract or the Customer thinks that the performance of the Supplier is endangered because of other reasons, Customer has the right to request the Supplier for performance according to the Contract by setting an additional time limit. When the Supplier shall not perform the Contract for the additional time limit, the Customer shall be entitled to withdraw from the Contract and to demand liquidated damage and compensation according to the rules on the violation of the contract, furthermore to get the works performed by a third party contractor or to perform on his own. In this case, Customer shall be entitled to demand liquidated damage for failure because of the failure of the contract which is 25% of the total fee according to this Contract.

8. WARRANTY AND REMEDIES

8.1 Supplier warrants that the Goods and/or Services comply with the Contract, including but without limitation to Supplier's responsibilities as defined in Clause 3.1.

8.2 Supplier warrants that the Goods are new and unused at the date of Delivery and remain free from defects during the warranty period.

8.3 The warranty period is twenty-four (24) months from Delivery, or as otherwise set out in the Contract.

8.4 In case of breach of any warranty which is not remedied within forty-eight (48) hours from Customer's notification, or in case of any other breach of the Contract, Customer is entitled to enforce any or all of the following remedies at its discretion and at Supplier's expense:

8.4.1 to give Supplier an opportunity to carry out any additional work necessary to ensure that the Contract is fulfilled;

8.4.2 to require Supplier promptly to repair or replace the defective Goods and/or Services;

8.4.3 to carry out (or to instruct a third party to carry out) any additional work necessary to make the Goods and/or Services comply with the Contract;

8.4.4 to refuse any further Goods and/or Services;

8.4.5 to require Supplier to indemnify and hold harmless Customer (and any relevant Customer Affiliate) for such damages as may have been sustained by Customer (or any Customer Affiliate) as a result of Supplier's breach of the Contract;

8.4.6 to terminate the Contract upon written notice, and in such event:

8.4.6.2 at Customer's option, Supplier shall pay back to Customer any remuneration received from Customer for the Goods and/or Services and take back the Goods at Supplier's own cost and risk; and

8.4.6.3 Customer may source equivalent replacement goods and/or services from an alternative supplier (with any incremental costs incurred in doing so being for Supplier's account).

8.5 In case of a breach of any warranty, the entire warranty period shall be restarted for the defective Goods/Services from the date the remediation is completed to Customer's satisfaction.

8.6 The rights and remedies available to Customer under the Contract are cumulative and are not exclusive of any rights or remedies available at law or in equity.

9. INTELLECTUAL PROPERTY RIGHTS

9.1 Subject to Clause 9.2, Supplier hereby grants Customer and its Affiliates, or undertakes to procure that Customer and its Affiliates are granted, a worldwide, irrevocable, transferable, sub-licensable, non-exclusive, royalty-free license to use the Intellectual Property Rights in the Goods, including Embedded Software, if any.

9.2 Supplier herewith assigns to Customer (or will assign to Customer's nominated Affiliate) full ownership rights in any Intellectual Property Rights in Goods resulting from the Services. Supplier further agrees, upon Customer's request and at its cost, to take all further steps

11.7.5 Supplier acknowledges that the processing of Personal Data in accordance with the Contract may require the conclusion of additional data processing or data protection agreements with Customer or its Affiliates. To the extent such additional agreements are not initially

concluded as part of the Contract, Supplier, its relevant Affiliates or subcontractors shall upon Customer’s request promptly enter into any such agreement(s), as designated by Customer and as required by mandatory law or a competent data protection or other competent authority.

12. LIABILITY AND INDEMNITY

12.1 Without prejudice to applicable mandatory law, Supplier shall, without any limitations, indemnify and hold harmless Customer, and any affected Customer Affiliate, for all liabilities, damages, cost, losses or expenses incurred by Customer (or such Customer Affiliate) as a result of Supplier’s breach of the Contract and/or Applicable Integrity Laws in connection to this Contract. Upon Customer’s request Supplier shall defend Customer (or any relevant Customer Affiliate) against any third-party claims.

12.2 Supplier is responsible for the control and management of all its employees, suppliers and/or subcontractors, and it is responsible for their acts or omissions as if they were the acts or omissions of Supplier.

12.3 Supplier shall maintain in force, and upon request provide evidence of, adequate liability insurance and statutory worker’s compensation/employer’s liability insurance with reputable and financially sound insurers, which however will not relieve Supplier from any liability towards Customer (or any Customer Affiliate). The insured amount cannot be considered as limitation of liability.

12.4 Customer reserves the right to set off any claims under a Contract against any amounts owed to Supplier.

13. TERMINATION

13.1 Customer may terminate the Contract for convenience in whole or in part by giving Supplier thirty (30) calendar days written notice. 19. SEVERABILITY
