ABB Connect - New Functionalities

Rate the app popup

All ABB Connect users are asked to give feedback about the application.

- Users are redirected to the store rating form after clicking on 'Rate application' button.

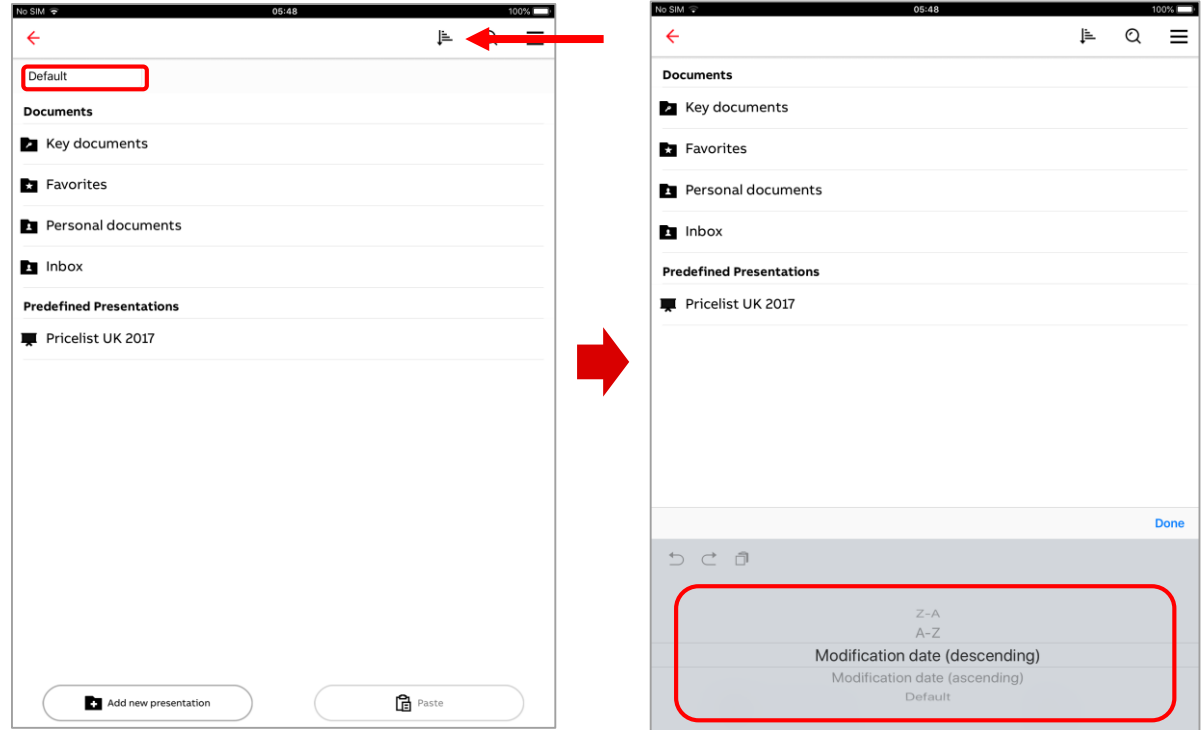

Sorting in My Selection section

Sorting function is now available in My Selection section for more organized look.

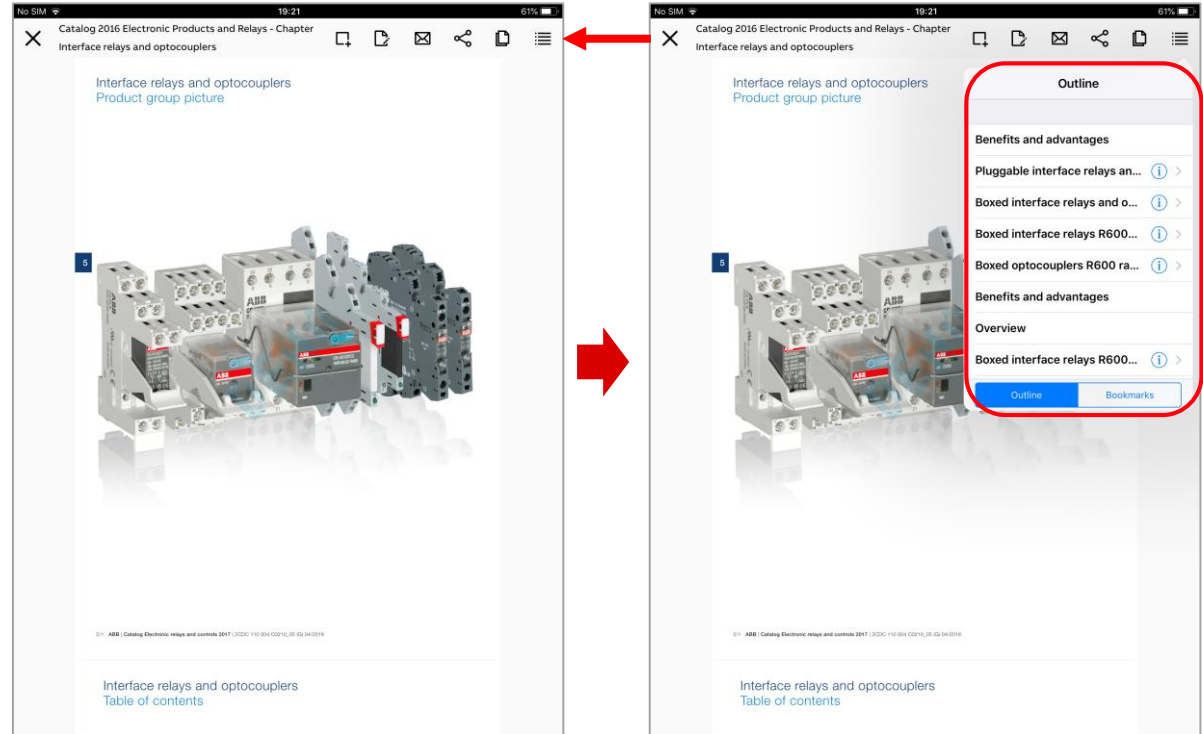

Users are able to select one of the sorting options:

- By name from A to Z or from Z to A
- By modification date descending or ascending
- Or by default

Bookmarks and table of contents in PDF viewer

Table of contents and bookmarks allow better navigation and work with the document.
