

CBV Strategies in CXpro^{HD} 1.06.02

Products Affected: CXpro^{HD} Sample Apps

BACKGROUND

As part of the CXpro^{HD} 1.06.02 release, incorrect versions of the CBV sample strategies were included in Sample Apps v3.2. Therefore, the CBV sample strategies are not suitable for production use. The following strategies are affected:

- 10020901 v2.3
- 10030901 v2.3
- 10020902 v1.1
- 10030902 v1.1

Note: No production CBV devices have been shipped with issues.

CUSTOMER IMPACT

We recommend that customers do **not** use these strategies, and an updated version will follow very shortly.

In the interim, customers are advised to use versions:

- 10020901 v2.2
- 10030901 v2.2
- 10020902 v1.0
- 10030902 v1.0
