

PRODUCT LEAD-TIME REDUCTION

Color-Keyed®

This country is getting back to work.

And ABB is right behind you — with Color-Keyed® custom lugs made in just 10 to 15 business days.

Just in time for your spring and summer projects, ABB Installation Products is supplying Color-Keyed custom made-to-order lugs and splices with reduced lead times.

Color-Keyed copper lugs in #8 AWG through 750 kcmil sizes are now available with the customizations your projects require with reduced lead times. All active catalog numbers are ready to ship with the following customized options:

10 business-day lead-time customizations:

- Bolt hole size
- Bolt hole spacing
- Belled end
- Peep hole on long-barrel lugs
- Without peep hole on standard-barrel lugs
- Bottom staking

15 business-day lead-time customizations:

- Silver plating
- Nickel plating
- Narrow tongue
