2. APPLICATION

2.1 The ABB GTC govern the Contract.

2.2 No terms or conditions delivered with or contained in Supplier's

quotations, acknowledgements, acceptances, specifications or similar documents will form part of the Contract, and Supplier waives any right which it might have to rely on such terms or conditions.

2.3 Supplier shall accept the Contract either expressly by written statement or impliedly by fulfilling the Contract in whole or in part.

2.4 Any amendments to the Contract must be agreed in writing.

3. SUPPLIER'S RESPONSIBILITIES

3.1 Supplier shall deliver the Goods and provide the Services:

3.1.1 in accordance with the applicable laws and regulations;

3.1.2 in accordance with the Contract (including by providing any necessary documentation) and all Customer instructions;

3.1.3 free from defects and from any rights of third parties; and

3.1.4 fit for any particular purpose specified in the Contract or, in absence thereof, fit for the purposes for which such Goods and/or Services would ordinarily be used.

3.2 Supplier shall ensure that the Goods are packed according to industry standards and any applicable laws and regulations, in a manner adequate to preserve and protect the Goods and sufficient to enable safe unloading and inspection at the relevant Delivery Location.

3.3 When Customer (or a Customer Affiliate at a relevant Delivery Location) identifies quality related issues on the part of Supplier, Customer (or Customer Affiliate) will notify Supplier thereof. Notwithstanding other remedies available to Customer under the Contract, Customer may instruct Supplier to undertake at Supplier's risk and expense any analysis into the root cause(s) of the quality related issue(s); such analysis being undertaken and reported to Customer within ten (10) calendar days of the notification of the quality related issue(s). Customer reserves the right to undertake an audit (carried out by Customer's nominated personnel, which may include third party experts or Customer Affiliate staff) of Supplier based on the results of the root cause analysis or where Supplier fails to comply with this Clause. Supplier shall also pro-actively advise Customer if it becomes aware of any quality related issues that may affect the Goods and/or Services, and the provisions of this Clause 3.3 shall otherwise apply as if the issue had been notified by Customer.

3.4 Customer may issue Variation Orders to Supplier, and Supplier shall carry out such Variation Orders. If any Variation Order causes an increase or decrease in the cost of, or the time required for the performance of, any Services or Goods, an equitable adjustment shall be made in the purchase price or Delivery schedule in writing. Any Supplier claim for adjustment under this Clause will be deemed waived unless asserted within five (5) calendar days from Supplier's receipt of the Variation Order. Variation Orders requested by Supplier only become effective after written confirmation by Customer.

3.5 Supplier must not suspend or delay the Delivery of any Goods or the provision of any Services.

3.6 Supplier assumes full and exclusive responsibility for any occupational accident that occurs, or disease that affects its employees and its subcontractors in relation to the provision of the

Goods and/or Services.

- 3.7 Supplier is solely and exclusively responsible for any claims and/or lawsuits filed by its employees and/or subcontractors, and shall, without any limitations, defend, indemnify and hold Customer (and any relevant Customer Affiliate) harmless from and against any claim, proceeding, action, fine, loss, cost, damages and expenses arising out of or relating to any such claims and/or lawsuits, and any noncompliance with legislation, regulations, codes of practice, guidance and other requirements of any relevant government or governmental agency applicable to Supplier, its employees or subcontractors. Supplier undertakes to appear in court at its own cost if requested by Customer, acknowledging its status as sole and exclusive employer, and to provide Customer (and any relevant Customer Affiliate) with all requested documentation and information necessary to ensure proper legal defense of Customer or its Affiliates in court.
- 3.8 Customer is authorized to make, or procure the making of, any payments due to Supplier's employees and subcontractors providing Goods and/or Services under the Contract, in order to avoid lawsuits, liens or encumbrances. Such payments may be made through withholding Supplier's credits, offsetting or in any other way. Supplier shall provide any support requested by Customer with regard to such payments and indemnify and hold harmless Customer and its Affiliates for any payments made.

4. PAYMENT, INVOICING

- 4.1 In consideration of the Goods delivered and/or the Services provided by Supplier in accordance with the Contract, Customer shall pay to Supplier the purchase price stated in the Contract provided the invoice fulfils the requirements defined in the Contract. Payment shall be made in the country in which Supplier is registered, to a bank account in the name of Supplier. The price is inclusive of all fees and taxes (other than sales tax(es)) and of all costs of manufacturing, processing, warehousing and packaging (including returning any returnable packaging) of any Goods.
- 4.2 Supplier shall submit invoices in an auditable form, complying with applicable laws, generally accepted accounting principles and the specific Customer requirements, containing the following minimum information: Supplier name, address and reference person including contact details; invoice date; invoice number; Order number and Supplier number; address of Customer; quantity; specification of Goods and/or Services; price (total amount invoiced); currency; sales tax(es) amount(s); sales tax(es) registration number(s); approved exporter authorization number and/or other customs identification number, if applicable; payment terms as agreed. Supplier shall state the Order number on all invoices (in particular but not limited to commercial, pro forma or customs invoices).
- 4.3 Invoices must be sent to the billing address specified in the Contract (or as otherwise agreed with Customer).
- 4.4 Customer shall pay the invoice in accordance with the payment terms agreed in the Contract.
- 4.5 Customer will reimburse expenses only at cost and to the extent agreed in writing.
- 4.6 Services charged on the basis of hourly rates require written confirmation of Supplier's time sheets by Customer. Supplier shall submit such time sheets to Customer for confirmation as may be instructed by Customer but latest together with any related invoice. Confirmation of time sheets cannot be construed as acknowledgement of any claims. Customer is not obliged to pay invoices based on time sheets which are not confirmed by Customer in writing.
- 4.7 Customer reserves the right to set off or withhold payment for Goods and/or Services not provided in accordance with the Contract.
- 4.8 If an invoice received by Customer is not paid by the due date,

Supplier may give notice in writing that the amount is overdue. Thirty (30) days after receipt of notice, unless the payment is disputed in good faith by Customer, Supplier may charge interest at the rate of 3% above the 3-month LIBOR rate (for unsecured USD loans) on any unpaid and undisputed amount, from the date payment fell due (or such other date as may be agreed in writing between the Parties), until receipt of the amount owed. Supplier acknowledges and agrees that this Clause 4.8 provides Supplier with a substantial remedy in respect of any late payment of sums due under any Contract.

5. DELIVERY, PERFORMANCE OF SERVICES

- 5.1 Unless agreed otherwise in the Contract, the Goods shall be delivered in accordance with INCOTERMS 2020 FCA, to the Delivery Location.
- 5.2 The Services shall be provided at the Delivery Location.

For controlled Goods, the relevant national export control numbers must be indicated and, if the Goods and/or Services are subject to U.S. export regulations, the U.S. Export Control Classification Numbers (ECCN) or classification numbers of the International Traffic in Arms Regulations (ITAR) or Canadian Controlled Goods Program must be specified. Proofs of preferential origin as well as conformity declarations and marks of the country of consignment or destination are to be submitted without being requested; certificates of origin upon request.
- 5.4 The Goods shall be delivered, and Services shall be provided during Customer's business hours (or those of the requested Delivery Location) unless otherwise requested by Customer.
- 5.5 Upon Delivery, Supplier (or its appointed carrier) shall provide Customer (or, if requested, any nominated Customer Affiliate at the Delivery Location) a delivery note and any other required export and import documents not mentioned in Clause 5.3. If Customer has approved partial delivery, such delivery note shall also include the outstanding balance.
- 5.6 Ownership of the Goods passes to Customer at Delivery. To the extent that the Goods contain Embedded Software, ownership of such Embedded Software will not pass to Customer, but Supplier shall grant, or – as applicable – shall procure that the third party owner grants, Customer and all users a worldwide, irrevocable, perpetual, transferable, non-exclusive, royalty-free right to use the Embedded Software as integral part of such Goods and/or for servicing either of them. For the avoidance of doubt, Supplier shall have no rights of retention of title, and Supplier will convey good title to the Goods, free of any liens or encumbrances (but transfer of title and ownership in the Goods to Customer shall not release Customer from its obligation to pay for those Goods, in accordance with the terms of the Contract).

6. ACCEPTANCE

- 6.1 Delivery of Goods or provision of Services shall not be deemed to be acceptance of such Goods or Services by Customer. Customer (or its nominated Customer Affiliate at the Delivery Location) shall have reasonable time to inspect or test the Goods and/or Services and to report any defects to Supplier. If a defect in the Goods and/or Services was not reasonably detectable during the inspection, Customer (or its nominated Customer Affiliate at the Delivery Location) shall have reasonable time to provide notice of such defect after it has become apparent and/or to reject the Goods/Services.
- 6.2 The Parties may agree on a certain acceptance procedure, in which case acceptance will be subject to Customer's written acceptance statement (or that of Customer's nominated Affiliate). Supplier shall

inform Customer (and any relevant Customer Affiliate) in writing within a reasonable time period in advance when the Goods and/or Services are ready for acceptance.

6.3 Customer may enforce any remedy defined in the Contract for any rejected Goods or Services.

7. DELAY

7.1 Time is of the essence in the execution of Supplier's obligations under the Contract. Supplier will deliver Goods in accordance with any date or time, and at least in accordance with any lead times, specified in the Contract. If the Delivery of Goods or the provision of Services does not comply with the agreed date(s), Customer may:

7.1.1 terminate the Contract in whole or in part;

7.1.2 refuse any subsequent delivery of the Goods or provision of the Services;

7.1.3 recover from Supplier any expenses reasonably incurred by Customer (or any affected Customer Affiliate) in obtaining the Goods and/or Services in substitution from another supplier;

7.1.4 claim damages for any cost, loss, expenses and liquidated damages incurred by Customer (or by any affected Customer Affiliate) which are attributable to Supplier's delay;

7.1.5 claim liquidated damages as agreed in the Contract; and it is agreed that Customer may select one or more such remedies, and recovering costs or damages under any of Clauses 7.1.3 to 7.1.5 shall not exclude Customer from recovering other costs or damages under the other parts of this Clause 7.

8. WARRANTY AND REMEDIES

8.1 Supplier warrants that the Goods and/or Services comply with the Contract, including but without limitation to Supplier's responsibilities as defined in Clause 3.1.

8.2 Supplier warrants that the Goods are new and unused at the date of Delivery and remain free from defects during the warranty period.

8.3 The warranty period is twenty-four (24) months from Delivery, or as otherwise set out in the Contract.

8.4 In case of breach of any warranty which is not remedied within forty eight (48) hours from Customer's notification, or in case of any other breach of the Contract, Customer is entitled to enforce any or all of the following remedies at its discretion and at Supplier's expense:

8.4.1 to give Supplier an opportunity to carry out any additional work necessary to ensure that the Contract is fulfilled;

8.4.2 to require Supplier promptly to repair or replace the defective Goods and/or Services;

8.4.3 to carry out (or to instruct a third party to carry out) any additional work necessary to make the Goods and/or Services comply with the Contract;

8.4.4 to refuse any further Goods and/or Services;

8.4.5 to require Supplier to indemnify and hold harmless Customer (and any relevant Customer Affiliate) for such damages as may have been sustained by Customer (or any Customer Affiliate) as a result of Supplier's breach of the Contract;

8.4.6 to terminate the Contract, and in such event:

a) Customer has no obligation to compensate Supplier (including paying for the Goods and/or Services which have been rejected); and

b) at Customer's option, Supplier shall pay back to Customer any remuneration received from Customer for the Goods and/or Services and take back the Goods at Supplier's own cost and risk; and

c) Customer may source equivalent replacement goods and/or services from an alternative supplier (with any incremental costs incurred in doing so being for Supplier's account).

8.5 In case of a breach of any warranty, the entire warranty period shall

be restarted for the defective Goods/Services from the date the remediation is completed to Customer's satisfaction.

8.6 The rights and remedies available to Customer under the Contract are cumulative and are not exclusive of any rights or remedies available at law or in equity.

8.7 Supplier shall assign or cause to be assigned to Customer all of Supplier's rights and interest in all extended warranties for periods exceeding the applicable warranty period pursuant to Clause 8.3 which were received by Supplier from any of its subcontractors or vendors.

To the extent that Pre-Existing IPR are embedded in any Goods resulting from the Services, Supplier grants, or undertakes to procure that the third party owner grants, Customer and its Affiliates a worldwide, irrevocable, transferable, sublicensable, non-exclusive, royalty-free license to use the Pre-Existing IPR as part of such Goods, including the right to improve, develop, market, distribute, sublicense or otherwise use such Pre-Existing IPR.

9.4 Supplier must specify in writing and prior to Delivery all open source software contained in or used by Embedded Software, if any, and request Customer's written approval. Supplier agrees to replace at its own cost any open source software components rejected by Customer with software of at least the same quality and functionality.

9.5 If any claim is made against Customer (or any Customer Affiliate) that the Goods and/or Services infringe a third party's Intellectual Property Rights, Supplier shall at its cost, but at Customer's discretion (i) procure for Customer, Customer's Affiliates and Customer's customers, as the case may be, the right to continue using the Goods and/or Services; (ii) modify the Goods and/or Services so they cease to be infringing; or (iii) replace the Goods and/or Services with non-infringing equivalents. - 11.7.5 Supplier acknowledges that the processing of Personal Data in accordance with the Contract may require the conclusion of additional data processing or data protection agreements with Customer or its Affiliates. To the extent such additional agreements are not initially concluded as part of the Contract, Supplier, its relevant Affiliates or subcontractors shall upon Customer’s request promptly enter into any such agreement(s), as designated by Customer and as required by mandatory law or a competent data protection or other competent authority.
- 11.8 Supplier acknowledges that any failure on its part to comply with its

obligations under this Clause will cause irreparable harm to Customer which cannot be adequately compensated by damages. Accordingly, Customer shall be entitled, in addition to any other remedy available to it, to interlocutory and permanent injunctive relief to restrain any anticipated, present or continuing breach of said obligations.

12. LIABILITY AND INDEMNITY

- 12.1 Without prejudice to applicable mandatory law, Supplier shall, without any limitations, indemnify and hold harmless Customer, and any affected Customer Affiliate, for all liabilities, damages, cost, losses or expenses (including legal and expertise costs on a solicitor to client basis) incurred by Customer (or such Customer Affiliate) as a result of Supplier’s breach of the Contract. Supplier shall, without any limitations, indemnify and hold harmless Customer and each relevant Customer Affiliate for any claim made by a third party against Customer (or such Customer Affiliate) in connection with the Goods and/or Services, including but without limitation to claims that such Goods and/or Services infringe a third party’s Intellectual Property Rights. Upon Customer’s request Supplier shall defend Customer (or any relevant Customer Affiliate) against any third-party claims.
- 12.2 Supplier is responsible for the control and management of all of its employees, suppliers and/or subcontractors, and it is responsible for their acts or omissions as if they were the acts or omissions of Supplier.
- 12.3 Supplier shall maintain in force, and upon request provide evidence of, adequate liability insurance and statutory worker’s compensation/employer’s liability insurance with reputable and financially sound insurers, which however will not relieve Supplier from any liability towards Customer (or any Customer Affiliate). The insured amount cannot be considered as limitation of liability. Supplier shall furnish Customer with detailed certificates of insurance evidencing that such coverage is in force and effect with thirty (30) calendar days’ prior written notice of material change to coverage. All insurance required shall contain an endorsement to the effect that Supplier’s insurance policies are considered primary and that any other policies shall be in excess only. Each such policy purchased by Supplier shall be endorsed to waive insurer’s rights of subrogation against Customer.
- 12.4 Customer reserves the right to set off any claims under a Contract against any amounts owed to Supplier.

13. SUSPENSION

- 13.1 Customer shall have the right to suspend performance of the Contract at any time for convenience for a period of up to ninety (90) calendar days in the aggregate without any compensation to Supplier. In case the suspension extends beyond ninety (90) calendar days, Supplier shall have the right to be compensated by Customer for the direct and reasonable incurred out-of-pocket costs of such additional suspension, such as cost of protection, storage and insurance. The agreed time for performance of the Contract or the concerned part thereof shall be extended by the time period of the suspension and the Delivery schedule shall be amended accordingly.
- 13.2 Supplier shall, upon Customer’s request, suspend the performance of the Contract or any part thereof, including postponing the provision of Goods and/or Services, for such times and in such manner as Customer considers necessary (i) to remediate any health, safety or environmental deficiency by Supplier, or (ii) due to any default by Supplier, in which case Supplier shall bear all costs and be liable for the delay arising from such suspension and Clause 13.1 above shall not apply.
- 13.3 During any suspension Supplier shall properly protect, insure and secure the Goods and/or Services.

consequences of any suspension.

13.5 Supplier shall have no right to suspend performance of the Contract.

14. TERMINATION

14.1 Customer may terminate the Contract for convenience in whole or in part by giving Supplier thirty (30) calendar days written notice. In such event Customer shall pay to Supplier the value of the delivered and accepted but unpaid Goods and/or Services (provided that such Goods and/or Services otherwise comply with the Contract) and proven direct cost reasonably incurred by Supplier for undelivered Goods and/or Services, however in no event more than the price for the Goods and/or Services agreed under the Contract. No further compensation will be due to Supplier.

14.2 In the event of Supplier's breach of the Contract, Customer is entitled to terminate the Contract in accordance with Clause 8.4.

14.3 Customer may terminate the Contract with immediate effect by notice in writing in the event that (i) an interim order is applied for or made, or a voluntary arrangement approved, or a petition for a bankruptcy order is presented or a bankruptcy order is made against Supplier; or (ii) any circumstances arise which entitle the court or a creditor to appoint a receiver or administrator or to make a winding-up order; or (iii) other similar action is taken against or by Supplier by reason of its insolvency or in consequence of debt; or (iv) there is a change of control of Supplier.

14.4 Upon termination Supplier shall immediately and at Supplier's expense return to Customer (or Customer's Affiliate) all Customer or Customer Affiliate property (including any Customer Data, documentation, and transfer of Intellectual Property Rights) then under Supplier's control and provide Customer (or its nominated Affiliate) with the complete documentation about the Goods and/or Services.

15. FORCE MAJEURE

15.1 Neither Party (nor any Customer Affiliate receiving the Goods and/or Services) will be liable for any delay or failure to perform its obligations under a Contract if the delay or failure results from an event of Force Majeure. Force Majeure means an event that was not foreseeable by the affected Party (or Customer Affiliate) at the time of execution of the Contract, is unavoidable and outside the reasonable control of the affected Party (or Customer Affiliate), provided that it cannot overcome such event despite all reasonable efforts, and that it provides notice to the other Party (and, in the case of Supplier being affected, to any relevant Customer Affiliate) within five (5) calendar days from occurrence of the Force Majeure event.
