*Have been investigated by Underwriters Laboratories Inc.® in accordance  
with the Standard(s) indicated on this Certificate.*

*Standard(s) for Safety:*

The basic standards used to investigate products in this category are ANSI/UL 489, "Molded-Case Circuit Breakers, Molded-Case Switches and Circuit-Breaker Enclosures" and CAN/CSA-C22.2 No. 5-2002, "Molded-Case Circuit Breakers, Molded-Case Switches and Circuit Breaker Enclosures."

*Additional Information:*

See UL On-line Certification Directory at [www.ul.com](http://www.ul.com) for additional information.

Only those products bearing the UL Listing Mark for the US and Canada should be considered as being covered by UL's Listing and Follow-Up Service meeting the appropriate requirements for US and Canada.

The UL Listing Mark for the US and Canada generally includes: the UL in a circle symbol with "C" and "US" identifiers; the word "LISTED"; a control number (may be alphanumeric) assigned by UL; and the product category name (product identifier) as indicated in the appropriate UL Directory.

**Look for the UL Listing Mark on the product**

**William R. Carney**  
**Director, North American Certification Programs**
