When entering a transport order, you can simplify the process and create your own MyDHL or MyDSV master file «Export PMA Uster / FCA» to enter variable data only in future:

Recipient of goods: select **950707190 in MyDHL (1-100kg)** or **6885721 in MyDSV (>101kg)**

Recipient of invoice: flag ABB PMA to bear costs for freight, insurance and customs

Reference: enter ABB PMA PO number 4500xxxx

Comment/Remark: « FIX” + DATE
to ensure delivery date is fix

Transport notification: enter pma-einkauf@ch.abb.com

Feel free to reach out for support to create your own master file to Mr. Christian Mauer <Christian.Mauer@ch.dsv.com> or myself.

Further information can be found on our **PMA Switzerland Supplier Portal - hier**.
In case of questions please do not hesitate to contact me.

Yours sincerely,
Beste Grüsse
