

- This Version Matrix document helps you to find out what kind of software is available for this field device and which software version you have to use with which kind of Hardware and Firmware Revision.

- You will find the latest software, documentations or this Version Matrix (recommended) available on:
<http://www.abb.com/Fieldbus>
 -> select "[Fieldbus protocol] field devices" -> go to [device type name] -> select "latest info"
 Tab "Fieldbus & HART Files" opens

267Cx, 269Cx, 2010TC

		Revision	
		all released	all released
