

ABB Electrification - Smart Power Division

Portfolio

Breakers and Enclosures

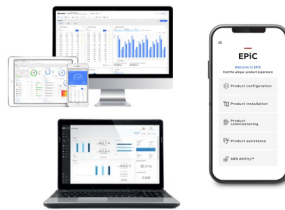

- Air circuit breakers
- Molded case circuit breakers
- Solid state circuit breaker
- External Digital Units
- Main distribution boards. System pro E power

NEMA Enclosed Products

- Insulated case circuit breakers
- Molded case circuit breakers
- Safety & enclosed rotary switches
- Power Panelboards
- Lighting Panelboards
- NEMA Controls

Connectivity and System Solutions

- ABB Ability™ Energy Manager
- EKip Connect 3
- EPiC app

Power Protection

- Uninterruptible Power Supplies (UPS)
- Static transfer switches
- Power distribution units
- Power and voltage conditioners
- DC chargers

Switches and Fusegear

- Switch-disconnectors
- Fusible switches
- Fast Transfer ATS
- Manual & Motorized Change Over
- Bypass switches
- Fuse switch disconnectors
- Switch disconnecter fuses

Electronic Relays and Controls

- Time relays
- Measuring and monitoring relays
- Power supplies
- Interface relays
- Motor controller
- Electronic compact starter

Low Voltage Systems

- Switchgear and Motor Control Centers
- Control and Distribution Cabinets
- Busways

Control & Protection

- Contactors and overload relays
- Manual motor starter
- Pilot devices
- Limit switches
- Softstarters
- Enclosed softstarters

Safety Products

- Safety controllers
- Sensors, switches and locks
- Light guards
- Control devices
- Emergency stops and pilot devices
