What we do in Cary

ABB's Corporate Headquarters for the United States is based in Cary, North Carolina. The site leads corporate functions for ABB in the region, including Human Resources, Finance, Information Systems, Legal, and Communications. ABB is a leading global technology company that energizes the transformation of society and industry to achieve a more productive, sustainable future. By connecting software to its electrification, robotics, automation and motion portfolio, ABB pushes the boundaries of technology to drive performance to new levels. With a history of excellence stretching back more than 130 years, ABB's success is driven by about 110,000 talented employees in more than 100 countries.

Who we serve

ABB operates in more than 100 countries to support customers in utilities, industry, transport, and infrastructure.
