

Profile

Jinquan Zhang

Region Manager
Greater China
Hitachi Energy

Jinquan Zhang is the Region Manager for Greater China of Hitachi Energy.

He joined Hitachi Energy's predecessor in 1995, most recently serving as Senior Vice President at ABB Group since 2014. Prior to this, he worked at Ciba-Geigy AG and Beijing Switchgear Factory.

Jinquan holds an MBA from Staffordshire University in England, and a Bachelor of Engineering degree from Xi'an Jiao Tong University in China.
