Declaration

We ABB AB, Substation Automation Products, SE-721 59 Västerås, Sweden, declare under our sole responsibility that the family of apparatus:

| Bay Control     | Type: REC660  
|                | acc. to Product Guide  
|                | 1MRK 511249-BEN, -BUS |

to which this declaration relates is in conformity with the following directives:

|                | Low Voltage Directive 2006/95/EC |

Our internal quality control system ensures compliance between the manufactured products and the technical documentation.

| Year of affixed CE-marking | 2010 |

Application of the objects
The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.
