Marking: Company name or trademark, model designation and the Recognized Component Mark, on the product or on the smallest unit container in which the product is packaged.
The appearance of a company's name or product in this database does not in itself assure that products so identified have been manufactured under UL's Follow-Up Service. Only those products bearing the UL Mark should be considered to be Certified and covered under UL's Follow-Up Service. Always look for the Mark on the product.
