

MEGADRIVE-LCI (CNG IC-A) with Control Analog, Sigmatronic B or Dekontik K

Current life cycle status

The MEGADRIVE-LCI type CNG IC-A with Control Analog, Sigmatronic or Dekontik K is in Obsolete phased since 01.01.1994 according to the ABB life cycle model outlined above.

Life cycle plan

The ABB life cycle management model is designed to manage an orderly transition to new replacement products or to choose from various lifetime extending services. At the same time the model ensures access to continuing support for our customers.

In the Obsolete phase the product support for MEGADRIVE-LCI (CNG IC-A) is not anymore available.

Recommended actions

It is highly recommended to replace the drive by a MEGADRIVE-LCI (PEC), which is an Active product.
