To schedule service call: 800 CYBEREX (292 3739)

**NAM SERVICES**

**Power Protection Services**

**Break/fix plans**

Some facilities require the same comprehensive coverage, security, and assurance of a guaranteed on-site response, but do not have the ability to shut down for an annual preventative maintenance check. Break/fix plans provide an all inclusive coverage option for any emergency or failure without the annual preventative maintenance visit.

**Premier**
- Travel and accommodation expenses to and from the site location
- Priority scheduling on remedial and emergency service visits
- 24x7 telephone support
- 24x7 repair and emergency service visits included
- 15% discount on spare parts
- 24-hour, 8-hour, or 4-hour response times*
- Replacement of on-site spare stock when part is used for preventative maintenance, an emergency, or repair
- A factory trained representative available 24-hours per day/365 days per year

**Ultimate**
