Application of this document
The document is intended for use as a base for the declaration of installations and systems.

Category
Components
Components for use in installations and systems

Declaration
We ABB Automation Products AB, Substation Automation Division, S-721 59 Västerås, Sweden, declare under our sole responsibility that the family:

COMBIFLEX measuring relays, energized from RXTUG 22,
(DC/DC converter).

Types:
RXHB 411 acc. to Buyer's Guide 1MRK 509070-8EN, jan. 01

The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.

Standards
EN 50 061-2: 1993
EN 50 082-2: 1995
EN 60 255-6: 1994
EN 50 178: 1997

following the provisions of

Directives
EMC Directive 89/336/EEC
Low Voltage Directive 73/23/EEC

Our internal quality control system ensures compliance between the manufactured products and the technical documentation.
