Application of this document
The document is intended for use as a base for the declaration of installations and systems.

Category
Components
Components for use in installations and systems

Declaration
We ABB Automation Products AB, Substation Automation Division, S-721 59 Västerås, Sweden, declare under our sole responsibility that the family:

COMBIFLEX measuring relays with two input energizing quantities, energized from RXTUG 2, (DC/DC converter).

Types: RXPPK 2 acc. to Buyer's Guide 1MRK500042-BEN, July 98

to which this declaration relates is in conformity with the following standard(s) or other normative document(s)

Standards
EN 50 081-2: 1993
EN 50 082-2: 1995
EN 60 255-6: 1994
EN 50 178

following the provisions of

Directives
EMC Directive 89/336/EEC
Low Voltage Directive 73/23/EEC

Our internal quality control system ensures compliance between the manufactured products and the technical documentation.

Application of the objects
The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.
