**Checked by**  
R. Östlund  

---

**Application of this document**  
The document is intended for use as a base for the declaration of installations and systems.  

**Category**  
Components  
Components for use in installations and systems  

**Declaration**  
We ABB Automation Products AB, Substation Automation Division, S-721 59 Västerås, Sweden, declare under our sole responsibility that the family:  

<table>
<thead>
<tr>
<th>COMBIFLEX measuring relays, energized from RXTUG 22, (DC/DC converter).</th>
<th>Types: RXHL. 411 acc. to Buyer’s Guide 1MRK 000614-6EN, doc. 99</th>
</tr>
</thead>
</table>

...to which this declaration relates is in conformity with the following standard(s) or other normative document(s):  

**Standards**  
EN 50 081-2: 1993  
EN 50 082-2: 1995  
EN 60 255-6: 1994  
EN 50 178: 1997  

following the provisions of  

**Directives**  
EMC Directive 89/336/EEC  
Low Voltage Directive 73/23/EEC  

Our internal quality control system ensures compliance between the manufactured products and the technical documentation.  

**Application of the objects**  
The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.
