Declaration of Conformity

ABB Automation Technology Products AB
Substation Automation

Application of this document
The document is intended for use as a base for the declaration of installations and systems.

Category
Components
Components for use in installations and systems

Declaration
We ABB Automation Technology Products AB, Substation Automation, S-721 59 Västerås, Sweden, declare under our sole responsibility that the family:

- COMBIFLEX time overvoltage relay
- RXEDA 1 according to Technical overview brochure 1MRK 699 044-BEN, June 1999

to which this declaration relates is in conformity with the following standard(s) or other normative document(s)

Standards
EN 61000-6-4: 1997
EN 61000-6-2: 1999
EN 60 255-6: 1994
EN 50 178: 1997

following the provisions of

Directives
EMC Directive 89/336/EEC
Low Voltage Directive 73/23/EEC

Application of the objects
The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.
