Declaration of Conformity

We ABB Automation Technology Products AB, Substation Automation, S-721 59 Västerås, Sweden, declare under our sole responsibility that the family:

COMBIFLEX fuse supervisory relay
Types: RXETB 1 according to Technical overview brochure 1MRK 508 019-BEN, June 2002

to which this declaration relates is in conformity with the following standard(s) or other normative document(s)

Standards
- EN 61000-6-4: 1997
- EN 61000-6-2: 1999
- EN 60 255-6: 1994
- EN 50 178: 1997

following the provisions of

Directives
- EMC Directive 89/336/EEC
- Low Voltage Directive 73/23/EEC

Our internal quality control system ensures compliance between the manufactured products and the technical documentation.

The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.
