

Gasum

Renewable Energy Certificate

We hereby guarantee that the client has acquired RES-GO guarantees of origin for electricity (Renewable Energy Sources – Guarantee of Origin) which are subject to EECS (European Energy Certificate System).

EECS RES-GO guarantees of origin are in accordance with the European Union Renewable Energy Directive 2018/2001/EU and thus can be used to verify the origin of electricity fully produced with renewable energy and free of direct carbon dioxide emissions.

Client
ABB Oy

Year
2025 (Q1)

Origin of energy
Nordic

Production method
Hydro and wind
