## ABB Supplier Code of Conduct

### ABB Supplier Code of Conduct

The ABB Supplier Code of Conduct defines the main principles underlying

a supplier's business activities with ABB, including:

- Human Rights
- Fair Labor Conditions
- Health, Safety and Environmental Management
- Material Compliance and Conflict Minerals
- Business Ethics
- Secure Business
- Procurement by Supplier
- Inspection and Corrective Actions
- Access to Remedy

# COUNTERFEITING

## ZERO TOLERANCE POLICIE

Definition :

Counterfeiting is the illegal use of the another's brand to "pass off" goods to consumers and customers as if they were made and sold by the brand owner.

**ABB's Position on Counterfeiting :**

- **Firm position of zero-tolerance against any form of counterfeiting activities**
- **Exhaust any and all legal remedies available against those who are involved in the manufacturing and/or selling of counterfeit ABB products.**

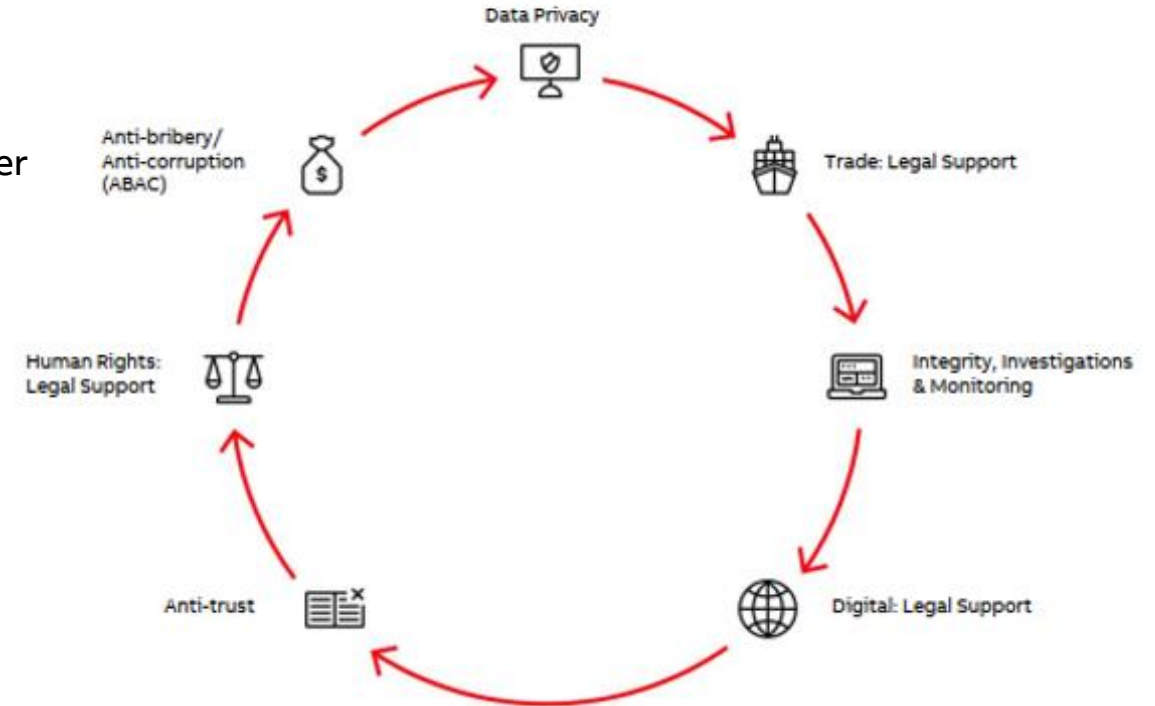

The issue may include not only unauthorized sale of finished ABB products, but also the sale of unauthorized ABB branded spare parts, refurbished products as well. And of course, if you have any questions in general about counterfeits or any suspicious activity, including but not limited to unauthorized use of ABB's trademarks, images, printed/published materials, or any other form of misuse of ABB intellectual property.

ZERO TOLERANCE ON COUNTERFEITING

# INTEGRITY & REGULATORY AFFAIRS

Suppliers must support ABB in the struggle for integrity and compliance.

- Integrity is the cornerstone of everything we do at ABB and our supplier have to embed their people and company into that culture.
- All suppliers and ABB have a responsibility to create a culture of Integrity and Transparency to drive mutual sustainable business growth.
- These goals are supported by the global Integrity & Regulatory Affairs Team.

INTEGRITY ONE OF OUR PRIORITY

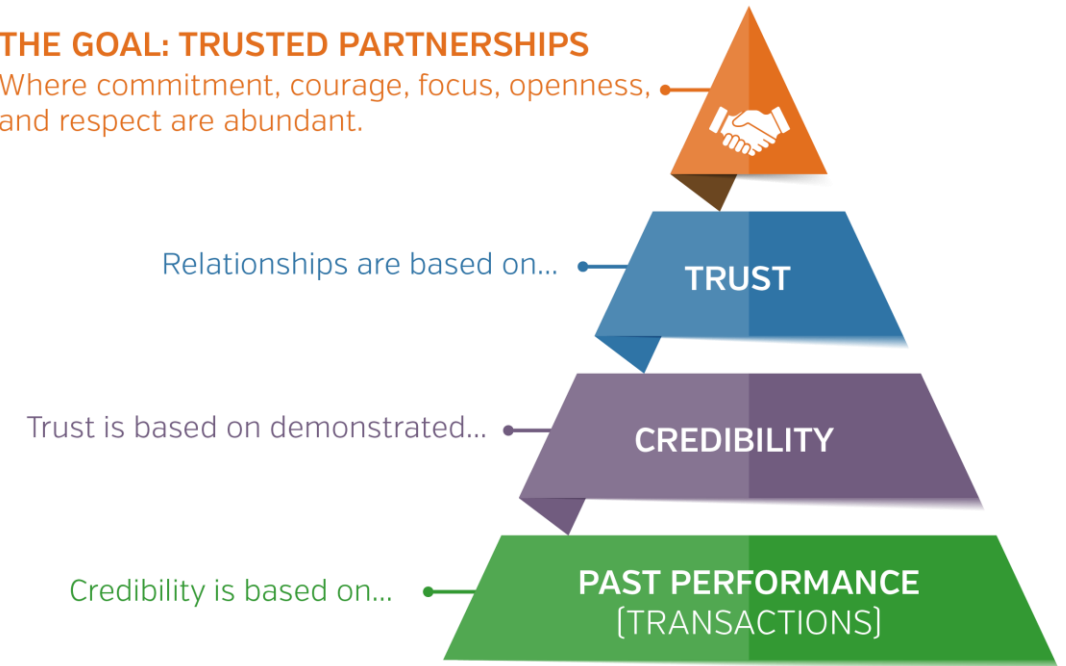

# EXPECTATION FROM CUSTOMER

## Path towards Partnership

Client's expectation	ABB's expectation from its supplier
Budget Driven	Most economical reliable Offer
Schedule Driven	Shortest achievable Leadtime
Quality Driven	Best credible Quality

### THE GOAL: TRUSTED PARTNERSHIPS

Where commitment, courage, focus, openness, and respect are abundant.

In this way, both ABB and suppliers can expect a longterm growing business.

*If you are supporting business, here is the growth perspective that can be expected...*
