WHAT IS THE PASSWORD FOR THE WEB PAGE IN THE FENA-01_11_21?

Description:

What is the password for the web page in the FENA-01/11/21?

Answer:

Default information is the following.

User Name: **admin**

Password: The **last six digits of the MAC ID of the adapter module**, without hyphens. The MAC ID is visible on the cover of the adapter module and in the ABB IP configuration tool. Example: If the MAC ID of the adapter module is 00-1C- 01-00-2F-73, the password is **002F73**.

If that does not work then follow the following steps below to reset the password.

Step 1.   Disconnect Ethernet cable from the FENA-xx.

Step 2.   51.26 (Reserved) = 0

Step 3.   51.27 (FBA PAR REFRESH) = 1 "Reset"

Step 4.   51.26 (Reserved) = 17989

Step 5.   51.27 (FBA PAR REFRESH) = 1 "Reset"

Step 6.   51.26 (Reserved) = 20033

Step 7.   51.27(FBA PAR REFRESH) = 1 "Reset"

Step 8.   51.26 (Reserved) = 0
