Declaration

We ABB AB, Grid Automation Products, SE-721 59 Västerås, Sweden, declare under our sole responsibility that the family of apparatus:

**Transformer Protection**

| Type: RET650, Ver. 2.2 acc. to Product Guide 1MRK 504172-BEN |

...to which this declaration relates is in conformity with the following directives...

Our internal quality control system ensures compliance between the manufactured products and the technical documentation.

| Year of affixed CE-marking | 2017 |

**Application of the objects**

The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.
