New parts

Genuine ABB parts backed by years of experience and manufactured to strict specifications guaranteeing original ABB fit, functionality and quality with 12 month warranty.

Pre-owned parts (POP)

Economical parts from end users where ABB has been doing the service; tested, cleaned and repackaged in an ISO 9001 repair center with 24 month warranty.

Refurbished parts (RFB)

Firmware updates, preventive maintenance, and engineering changes make ABB refurbished parts like new. ISO 9001 quality assured, and warranted for 30 months, longer than repairs.

Offer good for US end users, until December 31, 2020 or while supplies last. Other terms and conditions may apply, and may be modified without notice. Certain exclusions may apply. Discount is applied to list price and cannot be combined with any other offer or standard discount.
