

Line card - Electrical Distribution, Control and Power Solutions

Embracing the energy revolution from coast to coast

Medium voltage (1-69 kV)

Low voltage (120V-1 kV)

 Low Voltage Switchgear	 Capacitor Banks <ul style="list-style-type: none"> • Harmonic Filter 	 Busway	 Switchboards	 Enclosed Drives	 Contactors <ul style="list-style-type: none"> • NEMA • IEC
 Low Voltage Motor Control Centre <ul style="list-style-type: none"> • Ability™ • Arc Flash Detectors • Circuit Monitoring Systems • Custom Control Panels • Electronic Timers • Enclosed Magnetic Starters IEC and NEMA • Fuse Holders • Pushbuttons & Pilot Lights 	 Low voltage Circuit-Breakers <ul style="list-style-type: none"> • Molded Case Circuit Breakers • Air Insulated Circuit Breakers • Power Circuit Breakers • Miniature Circuit Breakers 	 Motors	 Safety Products <ul style="list-style-type: none"> • Fences • Light Curtains • Relays • Sensors • Switches 	 Safety Switches	 EV Chargers
	 Power Panelboards	 Dry Type Transformers	 Lighting Panelboards	 Loadcentres <ul style="list-style-type: none"> • Residential • Generator • SPA 	

Critical Power

 Automatic Transfer Switches	 Surge Protection Devices	 Energy Storage Containers	 Uninterruptible Power Supplies (UPS)
 Static Transfer Switch	 Power Distribution Units/Remote Power Panels (PDU/RPP)	 Paralleling Switchgear (PSG)
