

ABB INDUSTRIAL AUTOMATION | SPARE PARTS

Triple Play Savings

Maximize availability with minimum investment

Save 50% on any combination of 3 parts from select list

Make the play

Pick any 3 from select list

Save 50% off total cost

Choose from 100s of parts

[See list on following pages](#)

Or visit:
new.abb.com/process-automation/process-automation-service/spares-and-consumables/refurbished-parts-service/triple-play-savings

How to order

- Click or call for quote
 - Call: 1 800 HELP 365 (800 4357 365) option 2, option 2
 - Email: partservices@us.abb.com
 - Fax: 919 666 1392
- Include code 'BOL 3450' on your purchase order

Offer available to end users in the USA, while supplies last. Offer ends July 30, 2018. Other terms and conditions may apply. Offer availability, terms and conditions may be modified without notice.

online.abb.com

Quality parts for your ABB automation equipment from the following parts types:

Refurbished Parts

- A thorough inspection, firmware updated, preventive maintenance performed, and engineering changes implemented all work to make ABB refurbished parts like brand new.
- ISO 9001 quality is assured, with a certified 30 month warranty, ABB's longest and most comprehensive parts warranty.

Pre-owned Parts (PoP)

- Economical, reisk-free parts from end users where ABB has been performing regular service
- Parts are cleaned, tested, and repackaged in an ISO 9001 factory certified repair center

Visit online.abb.com to search for parts in ABB Business Online

Choose from these and other popular product lines:

Symphony Plus, Harmony, Infi 90, MOD 300, Advant Master*

QCS, Ulma, Accuray, Paper Applications, Process Analytics*

*Please reference the attached qualified parts list for savings on all our other popular product lines.
