(g) Rationale of the Scheme of Arrangement, and the benefit of the Scheme of Arrangement as perceived by the Board of Directors of the Applicant Company

A. The Applicant Company has been driving industrial change as a pioneering technology leader. The Applicant Company is now taking fundamental actions to realign its business to focus, simplify and lead in digital industries for enhanced customer value and shareholder returns.

- B. These actions include the separation of the Applicant Company's portfolio of digital industries from the Applicant Company's traditional, long gestation, projects led, business of power grids, with requirements that include access to financing, by transfer of the Power Grids Business to a demerged legal entity.
 - C. The simplification of the Applicant Company's business model and structure with the implementation of this new organization is expected to provide each business with full operational ownership of products, functions, R&D and territories. These actions are likely to position the Applicant Company with a leadership role in digital solutions, and evolving technologies such as artificial intelligence in India, while allowing APPSIL to independently focus on a likely leadership position in the Power Grids Business with its unique and established market dynamics.
 - D. With continuous advances in technology driving an unprecedented rate of development, the Applicant Company's customers' businesses in the country are being profoundly impacted. Indian customers are looking for more complete solutions, combining the right products with leading engineering expertise and domain capability.

Focus on digital industries in an era of energy and fourth industrial revolution, needs to be distinguished from the slower cycle, government influenced, financing support enabled large projects of Power Grids Business.
 - G. The proposed demerger is expected to assist the current power grids division to independently pursue the business excellence built over a long period in the power infrastructure with its robust and time tested business model.
 - H. In order to effect the segregation of the Power Grids Business from the other businesses of the Applicant Company, the Applicant Company has proposed to transfer the Power Grids Business to APPSIL by way of demerger in accordance with Sections 230-232 of the Act and the SEBI Scheme Circular.
 - I. In consideration of the demerger, the shareholders of the Applicant Company will receive equity shares in APPSIL, which will be listed on the stock exchanges. The shares held by the Applicant Company in APPSIL will be cancelled upon effectiveness of the Scheme.
 - J. The demerger and consequent issue of equity shares by APPSIL are proposed to allow shareholders of the Applicant Company and APPSIL and investors to invest in the distinct key businesses and allow shareholders of the Applicant Company and APPSIL unlock the value of their investments.

16.4 In the event of there being any pending share transfers, whether lodged or outstanding, of any shareholder of the Transferor, the Board of the Transferor shall be empowered in appropriate cases, prior to or even subsequent to the Record Date, to effectuate such a transfer as if such changes in the registered holder were operative as on the Record Date, in order to remove any difficulties arising to the transferor or the transferee of equity shares in the Transferor, after the effectiveness of this Scheme.

16.5 Without prejudice to the generality of Clause 16.1, the Transferor and the Transferee shall, if and to the extent required, apply for and obtain any approvals from concerned Appropriate Authorities and undertake necessary compliance for the issuance and allotment of the New Equity Shares.

- 16.6 The New Equity Shares shall be issued in dematerialized form to those shareholders who hold shares of the Transferor in dematerialized form, into the account in which shares of the Transferor are held or such other account as is intimated in writing by the shareholders to the Transferor and/or its registrar provided such intimation has been received by the Transferor and/or its registrar at least 30 (thirty) days before the Record Date. All those shareholders who hold shares of the Transferor in physical form shall also have the option to receive the New Equity Shares, as the case may be, in dematerialized form provided the details of their account with the depository participant are intimated in writing to the Transferor and/or its registrar provided such intimation has been received by the Transferor and/or its registrar at least 30 (thirty) days before the Record Date. If no such intimation is received from any shareholder who holds shares of the Transferor in physical form 30 (thirty) days before the Record Date, then the Transferee may allot physical shares to such shareholder.
- 16.7 The New Equity Shares to be issued by the Transferee, pursuant to Clause 16 in respect of any equity shares of the Transferor which are held in abeyance under the provisions of Section 126 of the Act or which the Transferee is unable to issue due to non-receipt of relevant approvals or due to Applicable Laws or otherwise shall, pending allotment or settlement of dispute by order of NCLT or any court or otherwise, be held in abeyance by the Transferee.
- 16.8 Upon the Scheme becoming effective, the issued, subscribed and paid-up share capital of the Transferee shall stand suitably increased consequent upon the issuance of the New Equity Shares in accordance with this Clause 16. Approval of this Scheme by the equity shareholders of the Transferee shall be deemed to be in due compliance of the provisions of Section 42 and Section 62 of the Act, and other relevant and applicable provisions of the Act and rules made thereunder for the issue and allotment of the New Equity Shares as on the Record Date, as provided in this Scheme.
- 16.9 The New Equity Shares will be listed and/or admitted to trading on the Stock Exchanges. The Transferee shall enter into such arrangements and give such confirmations and/or undertakings as may be necessary in accordance with the Applicable Laws or regulations for the Transferee with the formalities of the Stock Exchanges. The New Equity Shares shall remain frozen in the depositories system till listing and trading permission is given by the designated stock exchange. There shall be no change in the shareholding pattern or control in the Transferee between the Record Date and the listing which may affect the status of approvals received from the Stock Exchanges, other than as provided in the Scheme.
- 16.10 The New Equity Shares may not be registered under the United States Securities Act, 1933, as amended (the "Securities Act") and the Transferee may elect, in its sole discretion, to rely upon an exemption from the registration requirements of the Securities Act under Section 3(a)(10) thereof or any other exemption that the Transferee may elect to rely upon. In the event the Transferee elects to rely upon an exemption from the registration requirements of the Securities Act under Section 3(a)(10) thereof, the sanction of the NCLT to this Scheme will be relied upon for the purpose of qualifying the issuance and distribution of the New Equity Shares of the Transferee for such exemption.

17. CANCELLATION OF SHARE CAPITAL

- 17.1 Notwithstanding anything contained under the Act, pursuant to the provisions of Sections 230-232 of the Act, the existing shareholding of the Transferor in the Transferee shall stand cancelled without any further act, instrument or deed immediately following the issuance of the New Equity Shares in accordance with the Scheme.
- 17.2 The consequent reduction of share capital of the Transferee shall be an integral part of this Scheme and the Transferor and the Transferee shall not be required to follow the process under Section 66 of the Act or any other provisions of Applicable Law separately.
- 17.3 The reduction would not involve either a diminution of liability in respect of unpaid share capital, if any or payment to any shareholder of any unpaid share capital.
