**PLEASE NOTE:**

We are restricting in-house training centre classes to a maximum of 4 students to allow for social distancing. For Programming and Operational classes, each student will receive their own robot training station throughout. All equipment is cleansed prior to use. Hand sanitiser available throughout and face masks will be made available but not currently enforced. Supplied lunches are individually wrapped and separate tables and seating is used during breaks.

**ONLINE TRAINING WILL REQUIRE THE FOLLOWING:**

Each student will need a computer with Internet connection, a headset with microphone and webcam. RobotStudio installed, a premium or trial license will be required and RobotWare 6.10.xx added. You can download the latest version of RobotStudio following the link below and take advantage of the FREE TRIAL LICENSE that will last until the end of 2020. Please call for availability

**CUSTOMER SITE TRAINING WILL REQUIRE THE FOLLOWING:**

Please note that courses held at the customers site are limited to a maximum of 4 students. The daily cost will be £1995 net. We will require the use of a suitable robot/work area and a classroom throughout the entire duration. Shared equipment will need to be cleansed in-between use and social distancing observed.

For course booking please contact Jacqui Crealock on 07842 617402 or E-Mail: robotics.training@qtb.abb.com
