

SALES RAMP-DOWN ANNOUNCEMENT

# ACS550, ACH550 and ACQ550

General purpose drive ACS550, HVAC drive ACH550 and water and waste water drive ACQ550

The ABB life cycle management model is designed to manage an orderly transition to new replacement products or to choose from various lifetime extending services. At the same time the model ensures access to continuing support for our customers

### Life cycle status

ACS580, ACH580 and ACQ580 has replaced ACS550, ACH550 and ACQ550 product series on the market.

ACS550, ACH550 and ACQ550 product series are currently in the Active phase according to the ABB life cycle model outlined above.

The product series will be transferred to the Classic life cycle phase on January 1, 2021, except for the United States and Canada where Classic phase will start July 1, 2021.

### Sales ramp-down

ACS550, ACH550 and ACQ550 serial production and new product sales will be ramped-down according to the schedule outlined below:
