

The safer, the better

ABB Safety Switch with Extra Large Viewing Window

Give customers the whole picture with a premium safety solution

The all-new ABB Safety Switch with Extra Large Viewing Window is here to help you deliver exceptional value and premium safety to your customers.

With the largest viewing window on the market,* users can easily verify open contacts at a glance. With no need to open the enclosure door to check blades and fuses, it offers fast, practical peace of mind.

So, recommend the new ABB Safety Switch with Extra Large Viewing Window to your customers. With a window this big, it's clear – safer means better for everybody.

*As of March 1, 2021

Extra value

- Premium-sized window helps ensure safer conditions
