
CYLON® TECHNICAL BULLETIN NO. 517

Issue Date: 03 May 2023

INTEGRA 4.10u5, 4.12u1, 4.12u2

Summary

INTEGRA Workbench 4.10u5, 4.12u1 and 4.12u2 are available to download along with INTEGRA ProPack versions 2.2.9b and 2.3.0b.

Features

We are pleased to announce INTEGRA Workbench 4.10u5, 4.12u1 and 4.12u2 are available to download. Please refer to publicly accessible release notes for further information.

Also now available are INTEGRA ProPack versions 2.2.9b and 2.3.0b.

- INTEGRA ProPack version 2.2.9b is intended for use with INTEGRA Workbench version 4.11 and earlier.
- INTEGRA ProPack version 2.3.0b is intended for use with INTEGRA Workbench version 4.12 and later.

These versions are functionally equivalent to previous versions but are now signed to work with later JDK versions.
