## End-of-life instructions

Clear instructions for product disassembly available by product reference online [LINK](#)

## Long lifetime

Timeless design, high-quality materials and modular architecture, ensure a lifetime of 20 years, according to PCR-ed4-EN-2021 09 06 and PSR-0005-ed2-EN—2016 03 29.

## Designed for high recyclability

From 49.2% for big rockers, to up to 94% for frames. calculated according to EN 45555.

## Eco-designed ISO 14006

Eco-designed, reducing the environmental impact, under ISO 14006 and certified by third party AENOR. GWP decreased from 15.4% up to 48.3% in white parts, depending on the product.

## Sustainable packaging materials

Packaging is made of 92% of recycled cardboard.

## Third-party verified Environmental Product Declaration

EPD compliant with ISO 14025 Type III (externally verified), ensuring data accuracy and full transparency on the product's environmental impacts throughout its life cycle available by product reference online ([LINK](#)).

## Low-carbon manufacturing

This product is manufactured in an ABB facility that is powered by renewable energy.

## Eco-design ISO 14006

AENOR verified Eco-designed, according to ISO 14006 ([LINK](#)), minimizing product's environmental impact.
