

Binary Output, 8fold, 4 A

AT/S 8.4.1

SK 195 F 99 E © 1999 ABB STOTZ-KONTAKT GmbH

- Binary output with 8 independently parameterable contacts
- Rated voltage: 230 V AC
- Rated current: 4 A per circuit
- 4 moduls width
- Bus connection terminal
- Parameterable functions:
 - Normally open / normally closed
 - Active switching confirmation
 - Logical dependancies
 - On / Off switching delay
 - Stairwell function
