Declaration of Conformity

We ABB AB, Substation Automation Products, SE-721 59 Västerås, Sweden, declare under our sole responsibility that the family of apparatus:

| Line Distance Protection | Type: REL650, Ver. 2.1  
|                          | acc. to Product Guide  
|                          | 1MRK 506387-BEN  |

to which this declaration relates is in conformity with the following directives:

| Directive                  | EMC Directive 2014/30/EU  
|                           | Low Voltage Directive 2014/35/EU  |

Our internal quality control system ensures compliance between the manufactured products and the technical documentation.

| Year of affixed CE-marking | 2016  |

Application of the objects

The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.
