

Information to suppliers about local specifics of the payment process in New Zealand

Dear Hitachi ABB Power Grids (ABB Power Grids New Zealand Limited) Supplier,

As part of global standardization of the payment process within Power Grids, find below the country specific information regarding the payment process.

This document contains country specific details. In case no local exception is defined in this document, the global standard applies mandatory.

The latest version of the global Power Grids Procure to Pay Process (P2P) for suppliers is available at the Power Grids supplier portal <https://www.hitachiabb-powergrids.com/about-us/supplying/doing-business-with-pg/invoice-handling>.

How to send invoices to Power Grids (related to chapter 2 of global P2P)

I. Invoices via email:

Invoices through email should be sent to this address:

NZAPG@eportadoc.com.

Instructions for emailing invoices:

- Emailed invoices must be submitted in either .pdf or .tiff file format.
- Each email attachment must contain only one invoice along with supporting documentation for that invoice (each invoice and all the associated supported documentation must be attached as one complete file and do not submit invoices and supporting documents as separate files).
- Multiple e-mail attachments (Invoices) can be sent in a single email. Max. 10 PDF's or TIFF's per email (5MB Total).
- The invoices billed are to be emailed only once. Please address any invoice process issues (missing invoice) through our inquiry process.
- This email id should be used for the purpose of sending an invoice only. Please use our inquiry process for reminders, statements and other correspondence.
- Invoice image must be of at least 300 dpi resolution.
- Invoice image should be upright and be on the first page of attachment.
- Any invoices that do not meet the above criteria are subject for rejection.
- Upon receipt of the invoice, a confirmation will be sent to your email address.

Note: File name attached should not contain special symbol or characters such as #, \$, * @, : -, & etc.

Note: Please do not send any emails with attachments that require a password. This feature would not allow the inbound of invoice into the system.

Note: The outlook setting "Delivery request" must be switched off. Otherwise, an automatic reply will be sent, indicating that the e-mail is deleted without reading, although the invoice is inbound.

Note: .Zipped file or email attached in another email are not acceptable.

Note: Please do not include any written message which requires any action in the email as the message included in the email will not be read.

- II. Invoices via physical mail service (only when no option for e-mail delivery is in place):**
Physical invoices have to be sent to the invoice address mentioned in the PO. In case no invoicing address is provided, invoices have to be sent to the following addresses:

ABB Power Grids New Zealand Limited
GBS Finance (Accounts Payable)
Private Bag 92609,
Symonds Street,
Auckland – 1150
New Zealand
