Characteristics
| Power supply system          | Self-contained individual battery |
| Continuous operation         | Yes                              |
| Mounting Method              | Ceiling                          |
| Mounting form                | Recess                           |
| Material housing             | Aluminium / plastic             |
| Colour housing               | Aluminium                        |
| Material                     | Aluminium / polycarbonate        |
| Colour                       | Aluminium                        |
| Length (mm)                  | 316                              |
| Width (mm)                   | 100                              |
| Height/depth (mm)            | 78                               |
| Maximum outer diameter (mm)  | 100                              |
| Built-in length (mm)         | 316                              |
| Built-in width (mm)          | 68                               |
| Built-in diameter (mm)       | 68                               |
| Built-in depth (mm)          | 35                               |
| Nominal voltage (V)          | 230                              |
| Voltage type                 | AC                               |
| Duration (hours)             | 1                                |
| Battery                      | NiMH                             |
| Monitoring equipment         | Automatic self test              |
| With lamp                    | Yes                              |
| Lamp Type                    | Led                              |
| Lamp holder                  | Other                            |
| Lamp power (W)               | 2                                |
| Number of lamps              | 1                                |
| Light output in emergency operation (lm) | 231                        |
| Average lifespan light source (hours) | 100.000                        |
| Colour of light              | White                            |
| Colour temperature (K)       | 5600                             |
| CRI                          | 70                               |
| Protection class             | II                               |
| Degree of protection (IP)    | 42                               |
| With remote switch connection| No                               |
| Wiring system                | Maintained / non-maintained circuit |
| Type of indicator            | Not applicable                   |
| Circuit                      | Other                            |
Power consumption maintained mode (W) 3 / 2
Apparent power consumption maintained mode (VA) 3.5 / 2.85
Nominal current (mA) 15
Powerfactor 0.85 / 0.7
Temperature range (°C) 5 ~ +35

Article Details
Product class Emergency luminaire
E-code EC001957
Discount group 30901
Harmonized code 9405408440
GLN 8713812000008

Ordering information
Orderable Yes
Order-Unit Pieces
Minimum order quantity 1
Order Increment 1

Supply Information
Weight (kg) 0.588
Packaging Cardboard box
Packaging dimensions (LxWxH) (mm) 225 x 170 x 62
