

NOTES:

1. **WARNING:** This drawing does not completely illustrate the installation methods required for hazardous locations. Prior to any installation in a Classified Hazardous Location, verify installation methods by the Control Drawing referenced on the product's name tag and national and local codes.
2. In this configuration, the Micro Motion 1700/2700 Coriolis Unit power is supplied by the customer.

Plug in modules with smooth side of the module on the left which puts pin 1 on the bottom.
