

NOTES:

1. WARNING: This drawing does not illustrate completely the installation methods required for hazardous locations. Prior to any installation in a Classified Hazardous Location, verify installation methods by the Control Drawing referenced on the product's name tag and national and local codes.

This Test Cable is built from two separate cables, with their ends cut and joined at the 8-pin Phoenix connector. Each cable's unused wires are noted at their respective end connectors.

REF: N/A
