Customer Impact of Change and Recommended Action

Impact of change: Caps can no longer be removed in order to switch color. Change will be visible if customer need to change bezel or 30 mm adaptors, but product function & performance will not be affected.

Reason for Change

The change has been implemented to improve the production process.

Product Identification

No product identification. Same look and performance as existing.

Customer acknowledgement

Customers are requested to acknowledge this notification within 10 days of its issue date. Lack of response with 30 days of PCN release will constitute an acceptance of the change.

Please contact ABB if you have any issues with this PCN or require additional information.
