Limited

Obsolete

Full range of life cycle services and support

Limited range of life cycle services and support

Replacement and end-of-life services

Current life cycle status

The NextMove e100 motion controller is in the Active phase, according to the ABB life cycle model outlined above.

Life cycle plan

The NextMove e100 motion controller will be phased out according to the following plan:

Date	Life cycle phase
Until 31.01.2019	Active
01.02.2019 – 31.01.2021	Limited
From 01.02.2021	Obsolete

Product availability

Last opportunity for sales orders will be in accordance with the schedule date below:

Product	Last orders	Last delivery
NextMove E100	31.01.2019	During 2019

Recommended actions

There is no direct replacement to NextMove series controllers. Please work your local sales and support team for migration advice.
