We ABB AB, Substation Automation Products, SE-721 59 Västerås, Sweden, declare under our sole responsibility that the family of apparatus:

**Busbar Protection**

Type:
REB670, Ver. 1.2
acc. to Buyer’s Guide
1MRK 505212-BEN, -BUS

This declaration relates to the following directives:

- **EMC Directive 2014/30/EU**
- **Low Voltage Directive 2014/35/EU**

Our internal quality control system ensures compliance between the manufactured products and the technical documentation.

**Year of affixed CE-marking:** 2010

The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.
